

# **LAND USE AND TRANSPORTATION ELEMENT**

## **Community Workshops!**

The City of Sunnyvale is updating the Land Use and Transportation Element of the General Plan and would like your input.

These meetings are intended to gather input and feedback from individuals, neighborhoods, businesses and other interested individuals and groups about the concerns and expectations with land use and transportation in Sunnyvale and to gather ideas for goals and policies to direct the future development of the City.

The community is invited to attend these informational meetings and participate in discussions on land use and transportation.
